

Mark your calendar, register, and share with your colleagues

- the second IAIP International Adlerian Conference (online) –
January 24, 2026

26 september 2025

Dear Colleagues,

Please plan to join the second IAIP Sections International Conference (online) that will be held on **January 24, 2026**.

This year, the conference theme is "**Meet the Sections: Global Changes - Timeless Individual Psychology Principles**".

The conference will feature

- a keynote by Erik Mansager, ***“Successive Simultaneity” - Adler and Contemporary Psychotherapy***
- breakout educational activities facilitated by the five IAIP sections
- and opportunities to connect with colleagues around the IP world.

The conference will be held virtually. Please note the times (note your time zone) and mark your calendar for this now popular event.

14:00 to 17:30 (Vienna, Barcelona, Rome, Berlin, Bratislava)

13:00 - 16:30 (London)

15:00 - 18:30 (Lviv, Tel-Aviv)

21:00 - 00:30 (Taipei)

22:00 - 01:30 (next day) (Tokyo, Seoul)

5:00 - 8:30 am (San Francisco)

7:00 - 10:30 am (Chicago, Minneapolis)

8:00 - 11:30 am (New York)

The conference is free, but we kindly request that you register in advance.

The registration link is below. **Once you are registered, you will receive the Zoom login link.** We will also be sending you reminders and more detailed information as it becomes available.
