

Dear friends of ICASSI,

I am happy to inform you that the registration for our next summer school in Collinsville (USA) from July 20th - August 2nd is open now!

You will find it by clicking here: <https://icassi.cventevents.com/>

As there are many options regarding **courses and accommodation**, I advise you to first take a close look at our website: icassi.net/icassi-2025 The program booklet will give you a good overview of all available plenaries and courses. Please consider the website for the full course descriptions and learning objectives. All information on the location, the program and scholarship applications is available there.

Please note that today is the last day to apply for a **scholarship**. All information can be found at (<https://www.icassi.net/scholarship-application/>) If you applied for a scholarship and you can only come if you will receive it, please do not register at this moment but wait for the decision by the committee.

Also, you might be able to profit from the **group discount** if you are registering a group of at least 6 adults or students together (downpayment has to be made by one designated group leader) or from the **early bird** pricing until March 31, 2025. Please consider the website for further information about all policies and procedures.

Venue Information:

Our venue this year is the DoubleTree by [Hilton Hotel Collinsville – St. Louis](#). All our programs including the plenaries and evening activities will be in this hotel as well as all our accommodations. The hotel is a three star hotel by Hilton and just 20 miles from the International Airport St Louis - Lambert. When you fly in you can easily take an Uber or Taxi to the hotel.

The hotel features an indoor pool as well as a fitness center. A nice breakfast is included in your room charge. During the summer school we will also have some dinners together (on Sunday, Monday, Wednesday and Fridays) in the hotel (included in summer school package). Free wifi and free parking are also available.

The room size varies depending on whether you are sharing the room and with how many people. Most rooms have two queen size beds so they could be shared with four close friends or a family of four. We are selling beds in the rooms so all prices are per person (kids under the age of 6 sleep in their parents room/family room for free).

Extra nights: ICASSI does not offer any extra nights in the hotel accommodation. You may inquire about extra nights prior or after the summer school (before July 20 or

after August 2) directly at the hotel. As we are holding a reservation on all rooms during the two weeks program no extra nights can be booked for the middle weekend before our booking is finalized in late June.

And finally, if you experience any problems with the registration page or the registration process, please send an email to info.icassi@gmail.com

Best wishes and I hope to see you all in Collinsville this summer!
