

Dear all,

The next Virtual Adler Café will be held on Sunday, April 6th, 2025, at 1pm Chicago, 2 pm New York, 7 pm UK, 8 pm Germany, 9pm Israel, depending on your time zone.

**Calvin Armerding will talk about "Genuine Apologies: Letting Go of Superiority to Foster True Reconciliation".**

We will profit from the various professional and cultural backgrounds of all of you. Open to everyone interested. We will speak English but we are aware that there are a lot of non-native English speakers and we will try to help as much as possible. We will also try to offer other language groups for the break-out sessions. Please try to get in the room on time. Unfortunately late-comers cannot be admitted while break-out sessions take place. In that case you might need to wait up to 20 minutes in the waiting room.
